Becoming a CenturyLink Subcontractor

Each potential subcontractor, supplier or teaming partner is evaluated for their capabilities and pre-qualified to meet federal contracting requirements prior to being selected as a CenturyLink subcontractor.

To begin the evaluation process, please:

1. Visit the [System for Award Management \(SAM\)](https://www.sam.gov/) website and complete the steps to create an account and register your entity (individual, business, or government agency) with SAM.
2. Complete the Lumen [Prospective Supplier Registration form](#).

For more information, visit the Lumen Corporate Website at <https://www.lumen.com/en-us/about/doing-business-with-lumen.html>.
